

NZ LOYAL

IT'S A WRAP 2025

FROM OUR PARTY LEADER

Dear NZ Loyal Members and Supporters,

As the festive season arrives, we extend our warmest wishes to you and your loved ones. May you have a very Merry Christmas filled with joy, peace, and cherished moments with family and friends. Yuletide Greetings to all who celebrate this ancient tradition of light and renewal.

In this time of reflection and hope, know that we at NZ Loyal remain steadfast in our mission. We are tirelessly working towards our shared goal: returning New Zealand back into the hands of New Zealanders.

Our policies are crafted with you in mind – to deliver maximum freedoms, minimise state intrusion, and ensure every Kiwi has the opportunity to live the way nature intended, free from harmful globalist ideology and control. We are here not to dictate your lives or replace your inherent rights with mere privileges, but to facilitate and protect your liberties and freedoms.

We are NZ Loyal, standing strong for truth and sovereignty. Justice for all who have suffered is on the horizon – and it will come with your help.

We shall be your greatest weapon in this fight. Your votes are our ammunition. Load us up, and together we will watch the enemies of the People fall.

Thank you for your unwavering loyalty and support. Here's to a brighter, freer New Zealand in the year ahead.

MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR!

FROM OUR DEPUTY LEADER

Christmas is a time that reminds us of what actually matters: family, community, goodwill, and taking responsibility for one another without coercion or bureaucracy getting in the way.

As Deputy Leader of NZ Loyal, I want to thank everyone who has supported us this year — not because we promise easy answers, but because we insist on honest ones. We stand for personal responsibility, freedom, sound money, and a government that knows its limits and stays within them.

The year ahead will not be easy. But clarity, courage, and principle matter more than comfort — and New Zealand will need all three.

Enjoy the break. Spend time with people you care about. Rest, reflect, and come back ready for the work ahead.

Merry Christmas to you and your families.

John Alcock
DEPUTY LEADER – NZ LOYAL

The new year, we will be producing a series of videos. If you have seen my video explaining how the Financial Transaction Tax works for wage earners, we will be covering how we will be funding essential services such as, Health, Roding, Benefits, ACC, etc.

Michelle and I wish you all a very merry Christmas and a happy and safe new Year.

MEMBERSHIPS – THE BRING ONE CHALLENGE!

Our Party, Our People: Bring One More! The Time is NOW – Let's Roar into 2026!

Time is of the essence as we charge toward 2026. The clock is ticking, and the momentum we build today will define our strength tomorrow. We can't afford to wait – the time is NOW to unite, expand, and fight back with everything we've got!

We're calling on every dedicated member to **STEP UP** and help us grow.

Our goal? Bring One More – recruit at least one new member to join our ranks and re-register. Imagine the power: if each of us brings just one more passionate voice, we'll double our numbers, solidify our foundation, and hit the ground running with unbreakable confidence.

Why is this imperative?

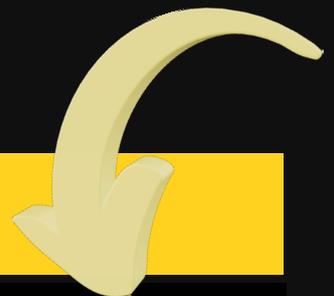

- No members, no party – it's that simple. To officially register with the Electoral Commission, NZ Loyal needs a minimum of 500 financial members. Until we reach that number, we cannot stand as a fully registered political party.

This isn't just about registration; it's about reigniting the fire. Be brave, have conversations, reach out to friends and family who share our vision. Every new member brought in is a step toward a movement that truly represents our people.

**LET'S MAKE 2026 THE YEAR WE SURGE FORWARD
UNITED, ENERGIZED, AND UNSTOPPABLE!**

HELP PROMOTE NZ LOYAL – PROFILE PIC TAKEOVER!

Let's flood the zone! We encourage our members and supporters to change up their profile pics on all social media platforms – this will help us be seen every time you comment or post, it's easy advertising! (pic attached).

ADVERTISING

WHAT'S BEEN HAPPENING TO PROMOTE NZL?

- We have many members who have initiated their own signage already.
- Our awesome graphic designer has created artwork for – billboards (1200mm X 2400mm, 600mm X 900mm) & DLE brochures

these files can be downloaded from the website for printing or contact office@nzloyal.com for more details

Let's Hit the Roads Running: Help Fund Our Rolling Billboard Truck!

We have an exciting opportunity to amplify our voice: one of our awesome and very enthusiastic members has offered her huge truck to be wrapped in bold decals.

This isn't just advertising – it's our very own moving billboard! But to make this vision reality, we need your help to cover the printing and decal installation costs (discounted by our designers, at approx \$1500). Every donation, big or small, gets us closer to hitting the road and turning heads everywhere we go.

We know it's Christmas and it's a struggle for many, however if you are in a position to contribute in the new year, your generosity is greatly appreciated.

Donate today – help us get visible, vocal, and victorious!

Together, we roll!

NZ LOYAL ACCOMPLISHMENTS IN 2025

Organisational Restructuring and Board Renewal

In 2025, NZ Loyal successfully overcame internal challenges by forming a dedicated new board and holding key meetings, including a Special General Meeting in May where new officers were elected. This restructuring created an effective, well-oiled leadership structure, ensuring the party remains focused and operational as it prepares for future elections.

Strong and Complementary Leadership

The party's leadership team, with complementary knowledge and skills across policy, communication, and grassroots organisation, has provided genuine direction. This cohesive approach has strengthened NZ Loyal's ability to represent New Zealanders' interests against external pressures.

Face-to-Face Engagement with Members and Supporters

Throughout 2025, NZ Loyal prioritised direct outreach, including regional tours and meet-ups across the country to connect with members and supporters. These personal catch-ups built stronger community ties and reinforced the party's commitment to listening to Kiwis firsthand.

Steadfast Focus on Sovereignty and Core Mission

NZ Loyal maintained an unwavering commitment to its founding goal of returning New Zealand into the hands of New Zealanders. This focus has guided all activities, emphasising policies for maximum freedoms, limited state intrusion, and living free from harmful globalist ideology and control.

Support for New Zealand Firefighters

NZ Loyal stood firmly with our firefighters in their ongoing struggle against FENZ mismanagement. By highlighting issues like ageing equipment, staffing shortages, and inadequate support, the party backed calls for better conditions, demonstrating genuine leadership in protecting essential frontline workers and their families.

Opposition to Harmful Legislation

NZ Loyal vocally opposed disastrous proposals such as the Gene Technology Bill, Digital ID initiatives, and other measures seen as advancing globalist control. This principled stance protected New Zealand's sovereignty, environment, and individual rights, ensuring the nation recovers from overreaching external ambitions.
