## **NZ LOYAL MONETARY & TAXATION POLICY**

- **Establish a monetary system, based on intrinsic value**
- **More for you. Less for them. Our 1% financial transaction tax will replace all other taxes**
- **No more need for a middleman, due to the simplicity of a 1% transaction tax**
- **The banks will become a service to all New Zealanders, not a threat to us**
- **Less unnecessary fees and more money in your pocket**
- **No insider deals; just oversight to ensure your money is spent wisely**
- **Use a free and open market approach, utilising New Zealand companies to construct and maintain roads, housing, and infrastructure.**
